Pothos grandis (Araceae) — Corrections

PETER C. BOYCE¹ & NGUYEN VAN DZU²

Due to an oversight four errors in the citing of material seen by us (Kew Bull. 50: 753 – 759) went unnoticed. These concern collection numbers for specimens seen, including the type. The correct numbers and a full list of specimens seen are given below.

Accepted for publication March 1996.
