

Pothos grandis (Araceae) — Corrections

PETER C. BOYCE¹ & NGUYEN VAN DZU²

Due to an oversight four errors in the citing of material seen by us (Kew Bull. 50: 753 – 759) went unnoticed. These concern collection numbers for specimens seen, including the type. The correct numbers and a full list of specimens seen are given below.

VIETNAM. Hanoi: near Kien Khe, *Bon* 2152 (P!). Ha Tay: My Duc, Chua Huong, 28 May 1977, *Nguyen Thi Nhan* HN 111 (HN!); My Duc, Chua Huong, 1 July 1993, *Ha Thi Dung* HN 217 (HN!); Hoa Binh: Cho Bo, *Balansa* 2051 (P!); Kim Boi, 30 Aug. 1994, *Boyce & Nguyen Van Dzu* 857 (HN!, K!); Kim Boi, June 1926, *Colani* 3002 (holotype P!; isotypes K (photo), P!, SGN!); Kon Tum, Dak Glay, 29 March 1977, *Tran Ding Ly* HN 389 (HN!); Lang Son: Pac Mo, 23 March 1961, *Soviet-Vietnam Expedition* 1137 (LE!); Nghe An: from Phu Qui to Kebon, *Poilane* 16565 (P!, SGN!); Quy Chau, *Trinh Xuan Mai* HN 737 (HN!).
